

RESPECT THE DIVERSITY IN RELIGIONS AND RECOGNISE THE UNITY IN SPIRITUALITY.

Asia celebrates diversity: diversity of languages and art-forms, diversity of cultures and religions. Our mindset is very much attuned to diversity. Deep within the diversity we do recognize the evolving unity of humanity. To promote the complementarity between diversity and unity is the way to civic peace and harmony of hearts. We shall reflect on this complementarity during this session.

Resource person: Dr. Fr. Sebastian Painadath SJ

Fr Sebastian Painadath is a Jesuit Priest based in Kalady in the district of Kerala, India. He is a theologian and author who has taught widely. His contemporary focus is on interreligious dialogue that stems from a tradition of integrative spirituality that assumes a spiritual unity of all people, regardless of ethnic background. Fr. Painandath is also a familiar face with many locals who are oriented towards spirituality and meditation. His frequent presence in Malaysia before the pandemic is a testimony to his endearing teaching.
